

We are pleased to announce today an important milestone in the relationship between **C.M.S.** and **Micro Research**. Starting in October of 2020, **C.M.S.** will serve as the **sole distributor for Micro Research in the European Union and other European countries**. C.M.S. will represent Micro Research in the promotion and selling of Micro Research **fin dies and related products**. Furthermore, C.M.S. will also act as the **service center for Micro Research** products in the Europe, providing pre-sale, installation, maintenance and rebuild services etc. to existing and potential customers.

Quality and service are two key values that are shared by both companies. We are bringing together the **strengths of the two companies** to create **value for our customers**. By working together, C.M.S. and Micro Research will be able to deliver **world class technology**, local service and highest value solutions to customers across Europe.

We are very **excited** by this opportunity to work together. We look forward to **offering you** with the **most comprehensive and best value products and services** for many years to come.
